Civil Action No.

DECLARATION OF EVA PECORA

Pursuant to 28 U.S.C. § 1746, I, Eva Pecora, hereby declare as follows:

1. I have personal knowledge of the matters stated herein and would testify to the same if called as a witness in Court.
2. I am over eighteen years of age and am otherwise competent to testify. I was born in August of 2001.
3. I am a freshman at George Mason University. I graduated from high school in Apex, North Carolina.
4. I live on campus at George Mason University.
5. The name of my dormitory is Commonwealth Hall. I live in Room 1512.
6. I registered to vote on campus at George Mason University on September 10, 2019 through a voter registration drive.
7. I had never registered to vote in the Commonwealth of Virginia before.

8. I was approached by a volunteer who asked if I wanted to register to vote, and I filled out a voter registration application. *See Exhibit A.*
9. When I filled out the voter registration application, I provided the address of George Mason's student union, 4450 Rivanna Way. I did not provide my dorm name or room number.
10. I do not receive mail at my dorm address.
11. At the time I filled out the voter registration application, I believed that providing the university address would be sufficient to allow me to register to vote.
12. I had assumed that I was registered to vote by the voter registration deadline for the November 5, 2019 election and was eligible to vote in that election until I received an email from George Mason University Housing on Thursday, October 15, 2019.
13. The October 15 email that I received from George Mason University Housing indicated that I may not be registered vote due to "a requirement that you include your Residence Hall name and Room number on your application." *See Exhibit B.*
14. After receiving the email, I thought that my voter registration application had been rejected because I had not provided my dorm name and room number when I filled out my voter registration application.
15. I do not understand why I needed to provide my dorm name and room number on my registration application.
16. The October 15th email said, "If you do NOT have a Virginia Driver's License, you must submit a paper form to the Fairfax County Office of Elections in person or by mail no later than 4:59PM today." *See Exhibit B.*

17. The October 15th email said, “If your form was denied, you must submit a new form TODAY.” The email also said “NOTE for on-campus students: Use your HUB mailing address at 4450 Rivanna River Way, PMB #, Fairfax, VA 22030 as your residence address, however, number 4 question of the voter registration form must include the residence hall with your room number in the fillable area, when filling out the form.” *See Exhibit B.*
18. I received two more emails from George Mason University Housing regarding voting, one on Wednesday, October 23, and the other on Thursday, October 24. *See Exhibit C.*
19. The October 23rd email says that I can submit a new voter registration application or write my full name, residential address, year of birth, last four digits of your social security number and signature on a sheet of paper and providing it to the Fairfax County Office of Elections or scanning the submission and forwarding, as an attachment, to: voting@fairfaxcounty.gov. It says that I can fax that information in or deliver it in person to the Fairfax County Board of Elections office during certain hours and by noon, Saturday, November 2, 2019. *See Exhibit C.*
20. The October 24th email says at the top, “Please disregard if this information does not apply to you.” *See Exhibit C.* This qualifier left me confused about what next steps I needed to take.
21. Since October 15, I have looked up my registration status repeatedly, including this morning. Each time I look, it says that my voter registration information cannot be found. *See Exhibit D.*

22. I also tried to re-register online but was unsuccessful because I did not have the necessary driver's license information. I found the online registration process to be challenging and not intuitive.
23. I am therefore concerned that I am not registered to vote.
24. I thought my case was an isolated incident until I read a news article titled "Civil rights group challenges rejection of George Mason student voter registrations" in the Washington Post on Thursday
25. On Friday, October 25, I emailed the Fairfax County Registrar's office to explain that I could not find my registration status online and to ask what happened with my voter registration application. *See Exhibit E.*
26. I had not received any email, phone call, or any other communication from the Fairfax County Registrar's office until I emailed directly on October 25th to ask about my registration status
27. An employee with the Registrar's office responded by email on Saturday, October 26, and said that I had written down the last four digits of my social security number incorrectly on my voter registration application. *See Exhibit E.*
28. I think that the information the Registrar's office provided may be incorrect because I regularly provide the last four digits of my social on written forms and I always write it down accurately.
29. I asked the Registrar's office to provide me with a copy of my voter registration application and she provided me with a version that redacted the last four digits of my social security number. *See Exhibit A.*

30. At the Registrar's request, I provided the last four digits of my social security number again by email.

31. While, in one of the October 26th emails, the Registrar's office said that "You are fine to vote," I have not received official confirmation from the Registrar's office in the form of an email or voter registration card. I am concerned that I still cannot look up my voter registration status online.

32. I am concerned that I am going to experience problems when I attempt to vote in the November 2019 election, that my name may not be on the registration list, and that I may be disenfranchised.

33. I plan on attempting to vote in the November 2019 election.

34. I declare under penalty of perjury that the foregoing is true and correct.

Executed this 27th day of October, 2019, in Fairfax, Virginia.

Subject: Voter Registration Deadline-TODAY

Good afternoon,

If you are planning to participate in the November 5th election, you must update your current address per the information below.

ATTENTION:

The deadline to register or update your voter registration to your current address is TODAY in order to vote in the November 5th election.

Unfortunately it has recently come to our attention that the requirements for on-campus registration have changed at the last minute. It is now a requirement that you include your Residence Hall name and Room number on your application. As a result, if you have registered to vote on campus this year you need to check that your registration has gone through at <https://vote.elections.virginia.gov/VoterInformation>.

YOUR REGISTRATION MAY HAVE BEEN DENIED.

If your form was denied, you must submit a new form **TODAY**.

If you live on campus your address will be: 4450 Rivanna River Way, Fairfax VA 22030. Then you must include your “Residence Hall Name, Room number” in question 4.

If you have a Virginia Driver’s License, you can re-register online by tonight at 11:59PM at <https://vote.elections.virginia.gov/Registration/Eligibility>

If you do NOT have a Virginia Driver’s License, you must submit a paper form to the Fairfax County Office of Elections in person or by mail no later than 4:59PM today.

If you need to fill out a paper form, Student Government is registering voters from now until 3pm at Johnson Center Kiosk F.

From the Mason Votes website (<http://masonvotes.gmu.edu/a-quick-guide-to-voting-as-a-mason-student/>)

- ***If you have a Virginia driver’s license***, you can register online. Go to: vote.virginia.gov and click the “Register” button. It takes about 2 minutes to register online, if you have your Virginia driver’s license

number. The last day to register online to be eligible to vote in the General and Special Election is Tuesday, October 15th by mail or in person, or online by 11:59pm on Tuesday, October 15, 2019.

- **If you don't have a Virginia driver's license, go to vote.virginia.gov to fill in the registration form, print it, sign it, and send it to the Department of Elections by mail. Your form must be postmarked by October 15, 2019.**

NOTE for on-campus students: Use your HUB mailing address at 4450 Rivanna River Way, PMB #, Fairfax, VA 22030 as your residence address, however, number 4 question of the voter registration form must include the residence hall with your room number in the fillable area, when filling out the form. This will allow you to vote at on-campus at Merten Hall for the Presidential Election.

If you have any questions or need help filling out your new form, please contact Student Government's Executive Secretary for Government and Community Relations

Yasmin at yjaramil@masonlive.gmu.edu.

My question was simple. You are fine to vote. The question is what is the correct social security number? I have attached your voter registration form however, because it is being transmitted, I had to redacted social security number and birthdate.

Hi,

My name is Eva Pecora. I filled out a voter registration application on George Mason's campus almost a month ago and am concerned that I may not be registered to vote. I've been checking my registration status online and can't find my registration status. Can you please confirm that you received my application and, if so, what happened with it? I'd greatly appreciate any assistance you can provide.

Thanks so much,
